

WAR MATERIALS BRING BIG SUMS

Allied Powers and Huns Buy \$700,000,000 of Our Stocks.

NEW YORK, Dec. 21.—A total of \$700,000,000 was realized by the sale of American war material in England, France, Belgium, Italy and Germany...

Mr. Parker asserted that while it had taken the commission only 10 months to dispose of all of this country's war stocks abroad, the other allied countries had not yet been able to make an inventory of the United States liquidation commission...

Trucks in Germany were sold to a syndicate for \$15,000,000, he said, and a British syndicate bought automobiles for \$1,000,000...

U. S. GRABS FIUME TRADE

Shipping Combine With Capitalization of \$25,000 Controls Transportation GENEVA, Dec. 21.—The Gazette de Lausanne says that an American shipping combine with a capital of \$15,000 has already secured a monopoly of the transport trade of Fiume...

Another American company, it is added, has just obtained for 60 years exclusive administration of the Jugo-Slavian railways, while the Standard Oil company, which failed to obtain from the Rumanian government the exclusive control of Rumania's petroleum mines...

DISCOVER ANOTHER FRAUD

Clerks and Doctor at Camp Normandy Sought to Swindle.

NAN ANTONIO, Texas, Dec. 21.—A plot to defraud the government out of a large quantity of surplus army supplies has been nipped by local department of justice agents and city detectives.

Goods other than those recovered are yet unaccounted for. It has been reported that surplus property has been arrested and Kelly, Field at Camp Normandy and Kelly, Field at Camp Normandy...

TOBACCO INDUSTRY GROWING

St. Louis Factories Show Rapid Increase in Business in 1919.

ST. LOUIS, Dec. 21.—The tobacco factories of Missouri in 1919 broke all previous records for the state by producing, in total, eleven and several varieties of smoking tobacco and cigars with a final wholesale and tax paid value of \$41,833,831...

The chewing and smoking tobacco turned out by St. Louis plants in 1919 alone was valued at \$11,677,374, including all taxes paid. St. Louis for years has held first rank among all the world in quantity, quality and value of chewing tobacco manufactured and sold annually, says the statement.

COST INCREASES TABULATED

22 Common Articles of Food Showed Advances in Last Year.

WASHINGTON, Dec. 21.—The retail price of 22 articles of food most commonly used increased 12 percent in the year ending October 31, 1919, according to a bulletin issued last week by the bureau of labor statistics.

White collar men between cities is not possible owing to local conditions affecting the question, New York shows an increase in the price of less than 1 per cent. Salt, potassium chloride 1 per cent. Flour increased 6 per cent. Baltimore 1 per cent. Washington 2 per cent. New Orleans 1 per cent.

According to the labor department the groups of food commodities, such as lumber and building materials have all shown a steady increase in price. Farm products, including such items as cotton, wool, and the principal European countries show the same tendency, the labor department says.

SEEKING A FREE RIDE HOME

Government Official Says Many "Red" Radicals Merely Fakers.

PITTSBURGH, Dec. 21.—The "Red" scare is not an alarming one, it seems, says a government official here. Many of the "apparitions" are only fakers, a government official here says. "Many of the 'apparitions' are only fakers, a government official here says."
